Simple Girl

Nelson Freitas

I'm in the club
MoÃ«t Chandon in my cup
Beautiful ladies all around me
All of them calling me papi
I'm not looking for love
A one-night-stand is more likely
'til I started getting all excited
I love this girl cause she's so feisty (feisty)Then she started acting up
Tellin me she ain't no groupie
Hating on the ladies that surround me
She told me she's not feeling my music (no)
I almost gave up
But damn that baby got booty
Really wanna take this girl home with me
She told me if you wanna seduce me
You just
Just bring me a flower
Cause I'm a simple girl
All I need is a single rose
And you will rock my world
I want to make you come
Your juices flowing over my bodyDamn the girl's so sexy
Beautiful from her head down to her feet
And she could be the one
I'm feeling her style, her beautifull smile
But she's playing hard to get but that's how I love 'em
So so bring it
Then she started acting up
Tellin me she ain't no groupie
Hating on the ladies that surround me
She told me she's not feeling my music (no)
I almost gave up
But damn that baby got booty
Really wanna take this girl home with me
She told me if you wanna seduce me
You just
Bring me a flower
Vause I'm a simple girl
All I need is a single rose

And you will rock my world
Now it seems she's coming home tonight
And she will be with me until the morning light, yeah
