With My Own Two Hands

Ben Harper

I can change the world with my own two hands
Make it a better place with my own two hands
Make it a kinder place, oh with my, oh with my own two handsWith my own, with my own two hands
With my own, with my own two handsI could make peace on earth with my own two hands
And I could clean up the earth Lord with my own two hands
And I can reach out to You oh with my own two handsWith my own, with my own two hands
With my own, with my own two handsI'm gonna make it a brighter place
With my own
I'm gonna make it a safer place
With my own
I'm gonna help the human race
With my own, with my own two handsNow I can hold you with my own two hands
And I can comfort you with my own two hands
But you got to use, use your own two hands
Use your own, use your own two hands
Use your own two handsWith our own, with our own two hands
With our, with our, with our own two hands
With my own, with my own two handsI'm gonna make it a brighter place
With my own
I'm gonna make it a safer place
With my own
I'm gonna help the human race
With my own
Oh make it a brighter place
With my ownI can hold you
With my own
I'll comfort you
With my own
But you've got to, got to, got to, got to, got to, got to
Got to use your own, use your own, oh use your own LordBut you've got to, got to, got to, got to, got to
Use, use, use your own, use your own, use your own
Use your own, use your own, use your own
Use your own, use your own, use your own
Use your own
