More Than Friends

Natasha Thomas

Why are we just friends?
I cannot pretend
When all I wanna do is kiss on you
I'm gonna have to let you know the truth'Cause it feels so right, when you're there by my side
Always smiling back at me but do you feel like I feel
It's driving me crazy, I don't know
So I gotta let you know'Cause I wanna be more than friends
I'm insecure but I can't pretend
My heart is torn and it just won't mend
Till I'm with youSo do you wanna be more than friends?
I can look into your eyes again
If you tell me that I'm just a friend
But I have to knowDamn boy, you're so fine
I can't seem to get you off my mind
'Cause all I seem to do is spend my time
Wishing that you're hand was holding mine'Cause it feels so right, when you're there by my side
Always smiling back at me but do you feel like I feel
It's driving me crazy, I don't know
So I gotta let you know'Cause I wanna be more than friends
I'm insecure but I can't pretend
My heart is torn and it just won't mend
Till I'm with youSo do you wanna be more than friends?
I can look into your eyes again
If you tell me that I'm just a friend
But I have to knowEven though I'm scared, though I'm terrified
I don't really mind, I just wanna find out
If you're in love, if you have a crush on me, babyI would hate to see it go the other way
And ruin everything in just one day
But it's a chance I'ma have to takeBreak
Oh no, oh no, oh no'Cause I wanna be more than friends
I'm insecure but I can't pretend
My heart is torn and it just won't mend
Till I'm with youSo do you wanna be more than friends?
I can look into your eyes again
If you tell me that I'm just a friend
But I have to know'Cause I wanna be more than friends
I'm insecure but I can't pretend
My heart is torn and it just won't mend
Till I'm with youSo do you wanna be more than friends?

I can look into your eyes again
If you tell me that I'm just a friend
But I have to know
