# hotline

## bbrainz

Turn me up
Dang da dis
Bang da bis yeah, shonuff
C I A R A lets go
Ooh I'm so glad you came
'Cause you are the cutest thing
Beauty should be your name
And I should be your lady baby
Tell me where you been all my life
'Cause you're so sexy and I
Like to make you the one
Baby here's my number
Call me up
Hotline I got some conversation, I can be your operator
Baby, you should call me later
'Cause you are so fine
I hope that your not playin' 'cause I'm lovin' what you're sayin'
Baby don'tcha keep me waitin'
Call me up
Hotline you are so fine, your so fine
I can be your operator
Call me up
Hotline you are so fine
Your so fine don'tcha keep me waitin' call me up
Listen, don't tell me anything
Keep it real with me
You say you're single and
You're ready to mingle
You're sayin' the right things baby
Man I want you so bad
Gotta make you my man
You're what I need in my life
Baby there's no time to waste
I said all I wanna say
You know that I'm feelin' you
I know that you're feelin' me
Page me now don't wanna stop
Anything for you and I
Be there when you need me baby

Anytime you need me
Call me up
Hotline I got some conversation, I can be your operator
Baby, you should call me later
'Cause you are so fine
I hope that your not playin' 'cause I'm lovin' what you're sayin'
Baby don'tcha keep me waitin'
Call me up
Hotline you are so fine, your so fine
I can be your operator
Call me up
Hotline you are so fine
Your so fine don'tcha keep me waitin' call me up
All my single folks we gonna get down
Take it to the floor
Right now take it to the floor
All the ones in love
We gon' get down take it to the floor
Right now take it to the floor
Call me up
Hotline I got some conversation, I can be your operator
Baby, you should call me later
'Cause you are so fine
I hope that your not playin' 'cause I'm lovin' what you're sayin'
Baby don'tcha keep me waitin'
Call me up
Hotline you are so fine, your so fine
I can be your operator
Call me up
Hotline you are so fine
Your so fine don'tcha keep me waitin' call me up
Call me up that's wassup, call me up, call me up
