Pretend To Sleep

Money Mark

Talk to me
Did I see your eyes start to open?
Stay complete
I know that you hear what I've spokenPretend to sleep
It's your only guarantee, ooh
Pretend to sleep
It's your security, no one can wake youDon't fake tonight
There's a touch that you always should
Hold on tight
Sorry if the words are missingPretend to sleep
It's your only guarantee, ooh
Pretend to sleep
It's your security, no one can wake you
