Never Meant

American Football

Let's just forgeAnnotatet
Everything said
Everything we did
Best friends and better halvesGoodbyes
And the autumn night when we realized
We were falling out of love
(There were some things that were said that weren't meant)
But we never didNot to be
Overly dramatic
I just think it's best
'Cause you can't miss what you forgetSo lets just pretend
Everything and
Anything between you and me
Was never meant
