# Get This

## Popium

I don't like a fuckin' thing, music sucks dick
Suck the snot end off the tip of my prick
You fuckin' cunts, get up off of my back
I don't wanna do a show with your shitty fuckin' band
You suck, they suck, guess what, get fucked
I can't think of any other words to say but fuck
Don't drag our opinions, our opinions are great
It's new school face motherfuckers I hate
Local bands, suck these nuts
U.S. bands, suck these nuts
Worldwide bands, suck these nuts
All you bands can suck these fuckin' nuts, go
Don't berate me 'cause you can't stop me
From breakin' your face it's you I'll erase
It's hate motherfucker, hate, motherfucker, hate
Local bands, suck these nuts
U.S. bands, suck these nuts
Worldwide bands, suck these nuts
All you bands can suck these fuckin' nuts, go
Life's so shitty but ain't it fuckin' great?
Life's so shitty but ain't it fuckin' great?
Life's so shitty but ain't it fuckin' great?
Life's so shitty but ain't it fuckin' great?
Get this or die, get this or die
Get this or die, get this or die
Get this or die, get this or die
Get this or die, get this or die
Get this or die, get this or die
Get this or die, get this or die
Get this or die, get this or die
Get this or die, get this or die
Get this or die, get this or die
Get this or die, get this or die
Get this or die, get this or die
Get this or die, get this or die
Get this or die, get this or die
Get this or die, get this or die
Local bands, suck these nuts
U.S. bands, suck these nuts
Worldwide bands, suck these nuts

All you bands can suck these fuckin' nuts, go
Local bands, suck these nuts
U.S. bands, suck these nuts
U.S. bands, suck these nuts
All you bands can suck these fuckin' nuts, go
