# Heaven on a Stick

## James Reyne

We just want a bit of peace
And relative quiet
Just one batsman at the creaseIf we could just buy it
We never wanted interruptions
Never want to run awayWe just want some Summer's day
Lazin' in the backyard
All brow beaters go awayIt's not much to ask
Never wanted intervention
Never want to run awayAll God's children say
What did they say?
They just want heaven on a stickAll God's children say
What did they say?
They just want heaven on a stickWe don't need opinion sways
Nowhere to run
Just wanna see those blue green baysStand in the sun
Never wanted mediation
Never want to run awayWe just wanted lotus eating
We just want to fish for cray
We never wanted intervention
We never want to run away
