# Reasons

## Ub40

Reasons why I love you, one
You light my day, you are my sun
Reasons why I love you, two
I cannot get enough of you
Reasons why I love you, three
I know that you'll be true to me
The reason I will stay with you
I know you'll love me too
The reason I will stay with you
I know that you'll love me too
Tere bina menoo chain nah aaveh, oh soniye
Tere bina menoo chain nah aaveh, oh soniye
Tere bina menoo chain nah aaveh, oh soniye
Tere bina menoo chain nah aaveh, oh soniye
Reasons why I love you, four
You keep me coming back for more
Reasons why I love you, five
You make my world come alive
Reasons why I love you, six
I'm addicted, you're my fix
The reason I will stay with you
I know you love me too
The reason I will stay with you
I know that you love me too
Tere bina menoo chain nah aaveh, oh soniye
Tere bina menoo chain nah aaveh, oh soniye
Tere bina menoo chain nah aaveh, oh soniye
Tere bina menoo chain nah aaveh, oh soniye
Reasons why I love you, seven
You are here and I'm in heaven
Reasons why I love you, eight
When it's good, you make it great
Reasons why I love you, nine
You turn my water into wine
The reason I will stay with you
I know you'll love me too
The reason I will stay with you
I know that you love me too
Tere bina menoo chain nah aaveh, oh soniye

Tere bina menoo chain nah aaveh, oh soniye
The reason I will stay with you
I know that you love me too
Tere bina menoo chain nah aaveh, oh soniye
Tere bina menoo chain nah aaveh, oh soniye
