Bring Me To Life

Skylar Stecker

You remind me of everything I like
It's so good just to have you by my side
Yeah, Yeah, Yeah, Yeah
When i'm with you I wanna touch the sky...
Take my hand make me feel like I can flyAll I need is you and me it's like im on cloud 9
Bring me to life ha ha Bring me to life
i keep reaching for this feeling every single time
bring me to life ha ha bring me to life
and I say hey take me
i want attention man want attention man
hey baby bring me bring me to life
