Wonderful Name

Christy Nockels

There is healing for all who ache
There is comfort for all in pain
There is freedom, there is grace
Here in Jesus and the power of His name
All who are broken, His love endures
All who are weary, His rest is yours
All who are hopeless, run to His name
He is Jesus
Youâ€™ll never be the same
Oh, how sweet the name that calms our storms
How tenderly His love transforms the hardest heart
And the deepest shame
There is power, power in that wonderful name
He is master
The Prince of Peace
He is unchanging
The God who sees
He is Jehovah
Mighty to save
He is Jesus
The Name of above all names!
With my heart stayed on You, I will stand, in the power of Your name
