Kung Fu Grip

Jonas Brothers

She's got a smile
That I'd die for
Everyone knows that
I'm a prisoner of war for her, yeah
Sometimes I wish
I had a Kung Fu grip
Never let her slip
Away she'd be my girl
I really wish she knew
What I feel is true
She'd be my doll and
I would be her hero too
I'm so in love with her
Everyone knows that I'm
Ready to fight, ready to go
Just like a G.I. Joe
Sometimes I wish
I had a Kung Fu grip
Never let her slip
Away, she'd be my girl
I really wish she knew
What I feel is true
She'd be my doll and
I would be her hero too
Sometimes I wish
I had a Kung Fu grip
Never let her slip
Away, she'd be my girl
Really wish she knew
What I feel is true
She'd be my doll and
I would be her hero too
She'd be my doll and
I would be her hero too
I would be her hero too
I would be her hero too
