Phantom

Caedes

With all this time wasted and all this time gone
You are still waiting on me
And every time you leave the house remember you're not safe
But you are hardly everAnd all those times that I could swear I heard you speak
You spoke in such a low voice
Of how if you could choose you would choose not to feel
'Cause you are hardly ever happyAnd sometimes I find myself standing in the stairs
With eyes so blank and unsure
Realizing this is not where I want to be
And not where I want to goAnd I don't mean to brag, I don't mean to disagree
But I feel that you had failed to see
In order to love you have to be all you can be
And mostly, you have to love yourself'Cause with all this time wasted and all this time gone
You are still waiting on me
Oh, but if I could choose, I would choose not to feel
'Cause I am hardly ever happy
