I Don't Care

X-Perience

You told me it's a dream to be
The one who spends the night with me
We made love till the morning light
And you did everything just rightI don't care if you love me
'Cause I don't love you anymore
I don't care if you need me
I know it can't be good for meThe love left at the break of dawn
While you were sleeping, sleeping on
I wrote a letter on the floor
'Cause I don't love you anymoreI don't care if you love me
'Cause I don't love you anymore
I don't care if you need me
I know it can't be good for meI don't care if you love
'Cause I don't love you
AnymoreI don't care if you love me
'Cause I don't love you anymore
I don't care if you need me
I know it can't be good for meIt can't be good for me
