What a Girl Wants

Chum

Yo, I don't know what's goin' on
But I do know one thing
We gotta make it right, aight?Man, what's going on with you?
Why you treat her like you do
When you know the girl is all about you?
Tell me, why you always lose your head?
Should find a better way to handle it
You need to stop this game before you mess around and loseJust tryna help you(What a girl wants)
What a girl wants
What a girl needs
What a girl wants
What a girl needs
(A guy to be there for her)(What a girl needs)
What a girl needs
(Oh)
What a girl wants
(Oh)
What a girl needs
(Yeah)
What a girl wants
(Honesty, love and a friend)YeahYou always coming down on her
(Why?)
Using all them fowl words
