# It's All Coming Back to Me Now

## Keith Whitley

That innocent look in her green eyes
Sparkle when she starts to laugh
Memories of her start to fill up my mind
Like pieces of torn photographsIts all comin' back to me now
I thought I'd forget her somehow
But my mind can't forget what
My heart won't allow
It's all comin' back to me nowThat desperate look in her green eyes
When she said, "Goodbye" in the rain
It tears me to pieces, I have to recall
How I caused her all of that painAnd its all comin' back to me now
I thought I'd forget her somehow
But my mind can't forget what
My heart won't allow
It's all comin' back to me now
