

# On a Night Like This (Rob Searle Mix)

Kylie Minogue

Don't, say  
It's like a fantasy  
When, you  
Know this is how it should be You kiss me, I'm falling  
Can you hear me calling?  
You touch me, I want you  
Feels like I've always known you On a night like this  
I wanna stay forever, stay forever  
On a night like this  
Just wanna be together  
On a night like this Now, I'm  
Getting closer to you  
Hold, me  
I just can't be without you You kiss me, I'm falling  
It's your name I'm calling  
You touch me, I want you  
Feels like I've always known you On a night like this  
I wanna stay forever, stay forever  
On a night like this  
Just wanna be together  
On a night like this Seems I've known you a lifetime  
Now it's time to make you mine  
On a night like this  
On a night like this You kiss me, I'm falling  
You touch me  
On a night like this  
Just wanna be together On a night like this  
I wanna stay forever, stay forever  
On a night like this  
Just wanna be together  
On a night like this You kiss me, I'm falling  
You touch me  
On a night like this  
You kiss me, I'm falling  
You touch me  
On a night like this
