Woman To Woman

Concrete Blonde

You know your old man was with me last night
And I just want you to know I don't think it's right
Because Bessie used to sing to me
Don't ever play no second fiddle, baby, always play leadTalking woman to woman
I'm talking woman to woman
I'm talking woman to woman
Because I understandI'm talking woman to woman
I'm talking woman to woman
I'm talking woman to woman
You know I understandI don't want your man
I don't need your man
You can have your manI'm sure every word he says to me is true
Just like I'm sure they're true when he says them to you
Or a bird in a cage, he sure can sing
But I don't want no part of his three way thingI'm talking woman to woman
I'm talking woman to woman
I'm talking woman to woman
You know I understand, oh yeahI'm talking woman to woman
I'm talking woman to woman
I'm talking woman to woman
You know I understandI don't need your man
I don't want your man
Oh yeah, hey, yeah
There's something about youI'm talking woman to woman
I'm talking woman to woman
I'm talking woman to woman
'Cause I understandI'm talking woman to woman
I'm talking woman to woman
I'm talking woman to woman
'Cause I understandI don't need your man
Don't even want your man
You can have your man
