To Distance Death From Life

Mactatus

one chooses the fade towards death with honour or vanity the essence comes from with in and beholds the distinction let after decades of disintegration blackness a frail foundation build upon an ending life and a never
ending death pay the ultimate sacrifice for fitting in suffer the consequence seduced by curiosity admist the haven of laughter cloned by the sacrilegious holder of distinction to distance death from life blinded by hologram
a picture of your dead bringing to your knees kissing curtains of deception
with bleeding lips caressing the flesh of murder holding the hand of decay to distance death from life alter the mani festation beyond reasonable comprehension opening for doubt and betrayal betrothal tp the decency of darkness once again stagnation within the shel no way to prosper and distance death frome life
