A Stranger to Me

Don Gibson

All the love we once shared together
The things that are now memories
Now when our old friends ask about me about you
I say she's a stranger to meOh I guess I'm a fool
For still loving you
And my feelings should change
Since you feel like you doI walk down the street where we once walked together
You pass and you don't even speak
What have I done that's made you so bitter
To seem like a stranger to meOh I guess I'm a fool
For still loving you
And my feelings should change
Since you feel like you do
