Living Sacrifice

6:22

Feel your soul and let it travel all across the world
It's the journey not the destination as we knowIt's the living, it's the living
It's the living sacrifice
It's the living, it's the living
It's the living sacrificeIt's the living, it's the living
It's the living sacrifice
It's the living, it's the living
It's the living sacrificeSometimes it feels like we can take no more
Have to find the strength, let the spirit overcomeIt's the living, it's the living
It's the living sacrifice
It's the living, it's the living
It's the living sacrificeIt's the living, it's the living
It's the living sacrifice
It's the living, it's the living
It's the living sacrificeFrustration, redemption
Salvation, motivation
Inspiration, no temptation
Redemption, salvationFeel your soul and let it travel all across this world
It's the journey not the destination as we knowSometimes it feels like we can bring no more
Have to find a home, let the spirit overcomeLearn as if you're going to live forever
Live as if you're going to die tomorrow
Learn as if you're going to live forever
Live as if you're going to die tomorrowLearn as if you're going to live forever
Live as if you're going to die tomorrow
Learn as if you're going to live forever
Live as if you're going to die tomorrow
