

Born on a Day the Sun Didn't Rise

Black Moth Super Rainbow

Born on a day the sun didn't rise
Born in a world without sunshine
You, you're the apple of my eye
Born on a day the sun didn't rise

Born on a day the sun didn't rise
Born in a world without sunshine
You, you're the apple of my eye
Born on a day the sun didn't rise

Born on a day the sun didn't rise
Born in a world without sunshine
You, you're the apple of my eye
Born on a day the sun didn't rise
