Hush, hush, shy, shy, eye to eye
Hush, hush, shy, shy, hush, hushModern medicine fall short of your complaints
Ooh, try a little harder
You're moving in circles, won't you dilate

Shy, shy, hush, hushShy, shy, hush, hush, eye to eye
Too shy, shy, hush, hush, eye to eye
Too shy, shy, hush, hush, eye to eye
Too shy, shy, hush, hushToo shy, shy, hush, hush, eye to eye
