Sing Mary Sing

Jennifer Knapp

Mary had a baby born in a manger
Mary what to do, Mary what to do?
Before the vow was made
In her belly laid the KingSing Mary, sing, lullaby the King
Born to be our pardon,
No longer shall we weep
Come soften what was hardened
Sing Mary, singHerod with a vision out with a vengeance
Mary what to do, Mary what to do?
Flee to Galilee raise a baby King of KingsSing Mary, sing lullaby the King
Born to be our pardon
No longer shall we weep
Come soften what was hardened
Sing Mary, singMary in your mourning
Turn now as you weep
Look to see a SaviorO sing Mary, sing
Sing Mary, sing
