I Wish You Would

David Bowie

Early in the morning by the break of day
That's when my baby went away
Come back baby, I wish you would
This crying and grieving won't do me no goodHugging and a-kissing, late at night
You know pretty baby it feels just right
Come back baby what you're trying to do?
Turnin' on me and some other men tooCome back baby give me one more chance
You know I still love you gonna give you romance
Yeah, romance all night long
In my arms, oh yeahEarly in the morning by the break of day
That's when my baby went away
Come back baby, I wish you would
This crying and grieving won't do me no goodHey pretty baby, I love you so
You know pretty baby it hurts me to see you go
Oh yeah, oh yeah, oh yeah, oh yeah
Oh yeah, oh yeah, oh yeah
