Headspin

Pleiadians

All I want to say is you're the satellite in my life
So you don't have to lie and you don't have to cry anymore
Then I hear you say, let's live for the moment this time
Why don't you just make up your mind?
You make my headspin, you make my headspin
Why? Why do you?
You make my headspin, you make my headspin
Why? Why?
You love to build me up just to tear me down, oh, but why?
Wouldn't it be nice if we found paradise someday
Then I hear you say, let's live for the moment this time
Why don't you just make up your goddamn mind?
You make my headspin, you make my headspin
Why? Why do you?
You make my headspin, you make my headspin
Why? Why?
Did I hear you say, you want to be alone?
Was this a mistake? How would we have known?
I can hear you scream at me, scream at me
I'm not perfect, I'm not perfect, no
You make my headspin, you make my headspin
Why? Why do you?
You make my headspin, you make my headspin, no
Did I ever mean something, you make my headspin
Did I ever mean something, you make my headspin to you?
Why? Why do you?
