Scentless Apprentice

Nirvana

Like most babies smell like butter
His smell smelled like no other
He was born scentless and senseless
He was born a scentless apprenticeGo away, go away, go away!Every wet nurse refused to feed him
Electrolytes smell like semen
I promise not to sell your perfumed secrets
There are countless formulas for pressing flowersGo away, go away, go away!I lie in the soil and fertilize mushrooms
Leakin' out gas fumes are made into perfume
You can't fire me because I quit
Throw me in the fire and I won't throw a fitGo away, go away, go away, go away
Go away, go away, go away!
