Gather 'Round the Stone

Ben Harper

Hey, hey, hey
Gather 'round the stone
Hey, hey, hey, hey
Gather 'round the stoneYou're too young to know
That you're too young to go
There's no freedom to be found
Lying face up in the groundI say, hey, hey, hey, hey
Gather 'round the stone
Hey, hey, hey, hey
Gather 'round the stoneAshes from an unfinished life
Are all that's left
In a tear-drop shaped locket
Hanging from his mother's chestI say, hey, hey, hey, hey
Gather 'round the stone
Hey, hey, hey, hey
Gather 'round the stoneI say, hey, hey, hey, hey
Gather 'round the stone
Hey, hey, hey, hey
Gather 'round the stoneYou whip the back of freedom
Til it bleeds an oil stream
Then you sail down upon it
In your killin' machineI said, hey, hey, hey, hey
Gather 'round the stone
Hey, hey, hey, hey
Gather 'round the stoneOld men who send children
Off to die in vain
They will hear death's constant whisper call
Remember my nameI said, hey, hey, hey, hey
Gather 'round the stone
Hey, hey, hey, hey
Gather 'round the stoneHey, hey, hey, hey
Gather 'round the stone
I say, hey, hey, hey, hey
Gather 'round the stoneI say, hey, hey, hey, hey
Gather 'round the stone
Hey, hey, hey, hey
Gather 'round the stone
