Jagged Edge

Remedy
J E y'all
Y'all know what it is, this that
Jagged Lil Thrill, right here
Check this out
Think about it baby
Did you think about it while you workin'
While you're working babe
Feelin' like is it something
Is it something more than this
Girl if you need somebody
I'm a bring the Don
So we can get out bubbles on
To a bottle of Perion
If you feel, if you feel
If you feel, like you're hungry
Hey baby I can cook your meal
Pick you up
In a Lac Eville, can't believe
That I'm so real
Girl it's you I wanted
And it's you I needed
Girl I got the remedy
If you feel it
Girl I got the key remedy to your body
You know like when you're weak in your knees
Girl when you speed it
That makes you rush right home after work
'Cause you feel it
I got it
The remedy
The remedy
If you feel it
Girl I got the key remedy to your body
You know like when you're weak in your knees
Girl when you speed it
Makes you rush right home after work
'Cause you feel it, I got it
The remedy

The remedy
In the mornin' when we wake at sunrise yeah
Relaxation over your body, you can't deny
When I leave I'm a kiss you bye
I know last night did you right
I'm just tryin' to be the man you like girl
Baby got a feeling, you be feeling me
When you're at work to me
'Cause you know I did my thang
And whenever you
Need a cure just call me I'll be your
Anytime you need a remedy
If you feel it
Girl I got the key remedy to your body
You know like when you're weak in your knees
Girl when you speed it
Makes you rush right home after work
'Cause you feel it, I got it
The remedy
The remedy
If you feel it
Girl I got the key remedy to your body
You know like when you're weak in your knees
Girl when you speed it
Makes you rush right home after work
'Cause you feel it, I got it
The remedy
The remedy
Day in day out, all I think about
Is the time I spend just lovin' you
My girl my friend, yes I do
Anything you need got the remedy
Yes I do oh, oh, oh, oh
Girl if it's love that you want from me
Then it's love, I'm gonna provide yeah
Said my arms are here
And they're open wide
I'll be your, your remedy
If you feel it
To your body
Know like when you're weak
You know like when you're weak, weak off your knee
'Cause you feel it, I got it
The remedy
The remedy

If you feel it, I got it
Know like when you're weak
Makes you rush right home after work
'Cause you feel it, I got it
The remedy
The remedy
Girl I got the key remedy to your body
You know like when you're weak in your knees
Girl you speed it
Makes you rush right home after work
'Cause you feel it, I got it
The remedy
The remedy
You know that
Girl I got the key remedy to your body
You know like when you're weak in your knees
Girl when you speed it
Makes you rush right home after work
'Cause you feel it, I got it
The remedy
The remedy
Your body baby your body
Your body baby your body
Your body baby your body
And your body
