

# Funeral

## Lukas Graham

When it's my time, I know you'll tailor a new suit for me  
and buy a new tie, so I'll look this good.  
Boy, you were right.  
You said only the good ones die young  
Never in my life did I look this good. Everyone welcome to my funeral  
Everyone I know, better be wasted  
You know I would pour one up  
'cause the way I lived, it was amazing  
Uh-uh-uh  
All of my friends are in the room  
Uh-uh-uh  
Party for me - I'd party too. You're all on my tap  
bartenders pour, all the whiskey's on me  
and don't be so sad  
Cause I lived this good  
we were closer  
now it's over  
Oh it doesn't mean it's closure  
I see you, and I love you  
I'll be watching out above you. Everyone welcome to my funeral  
Everyone I know better be wasted  
You know I would pour one up  
'cause the way I lived, it was amazing  
Uh-uh-uh  
All of my friends are in the room  
Uh-uh-uh  
Party for me - I'd party too.  
Uh-uh-uh  
All of my friends are in the room  
Uh-uh-uh  
Party for me - I'd party too. Everyone welcome to my funeral  
Everyone I know better be wasted  
You know I would pour one up  
'cause the way I lived, it was amazing. Welcome to my funeral  
Everyone I know better be wasted  
You know I would pour one up  
'cause the way I lived, it was amazing  
Welcome to my funeral  
Everyone I know better be wasted

You know I would pour one up  
'cause the way I lived, it was amazing  
So welcome to my funeral  
Welcome to my funeral.
