Someone

Basia Bulat

When the summer wind races
Through my thoughts
Where there was a cross
On the mountain bearing on us
Oh I wonder now who you might think of
Would you be the same?
Would you say if you were lost?
Oh are you lost, when I know someone is there
Shadows and stares behind me
Someone, calling your name
Someone is bound to find me
Oh, if someone is there
Give me your answer kindly
Oh, shadows and stares
If you are lost come find me
Now every day
Red squares on their shirtsleeves
On every corner, red maple leaves
This is how I'm remembering
Listen for your voice in the crowds
In the streets
I wonder now
What you might think of the policemen
Marching past your ghost in the park
I can't stop laughing now that someone
Someone is there
Shadows and stares behind me
Someone calling your name
Someone who's bound to find me
Oh, if someone is there
Give me your answer kindly
Oh, if someone is there
If you are lost come find me
Oh, I wonder now
Wonder where you are
Who you might think of
Saw your ghost in the park
Your friends down on Rivard
Calling out after us

Wondering if you are lost
Find me if you are lost
