Bullet Proof...I Wish I Was

Radiohead

Limb by limb and tooth by tooth
Tearing up inside of me
Every day every hour
I wish that I was bullet proof

Wax me
Mold me
Heat the pins and stab them in
You have turned me into this
Just wish that it was bullet proof
Was bullet proof

So pay me money and take a shot
Lead fill the hole in me
I could burst a million bubbles
All surrogate and bullet proof

And bullet proof [Repeat]
