Rat Race

Najwa

Closer into the light
I turn my body closer into the light
Take off all my clothes
You want to see me naked, you want it allI guess I'd like to be a star
I guess I'd like to be a starRat race, rat race
While my soul still in the cage
Rat race, rat race
While my soul still in the cage
With the mirror face to faceI give it to you
You don't have to steal
Using my desperation for something real
It wasn't what you expected
I know it's in my mind, we've been reflectedI guess I'd like to be a star
I guess I'd like to be a starHears of kittens
Running for cover
Dragging mice
Bleeding all overHears of kittens
Running for cover
Dragging mice
Bleeding all over(Rat race, rat race
While my soul still in the cage
Rat race, rat, rat race
With the mirror face to face
With the mirror face to face)
