So Long

Natalie Grant

Na, na, na, na, na, na, na
Na, na, na, na, na, na, na
Na, na, na, na, na, na, na
Na, na, na, na, na, na, naMystified by the struggle
To survive my own pride
Haunted by the demons
Of my past life, yeahWho am I? And why do I?
Are questions that keep running
Through my mind, yeahBut underneath this shallow skin
A brand new me is comin' out
Comin' out from withinSo long, farewell to my old self
Goodbye to the lie that I can't be someone else
'Cause who I was ain't who I am
I know that I've been born again
Those stains of my history are gone, gone, gone
So longApathy, hunting me
Like some contagious disease
Hypocrisy hiding in the shadows
Of the former meDoin' what comes naturally
I'm not who I want to be
Ready to, I'm ready to be free, oh yeahSo long, farewell to my old self
Goodbye to the lie that I can't be someone else
'Cause who I was ain't who I am
I know that I've been born again
Those stains of my history are gone, gone, gone
So longYeah, yeah, yeah, yeah, yeah, so long
Na, na, na, na, na, na, na, so long
So long, yeahNa, na, na, na, na, na, na
Hey, hey, hey, so long
Na, na, na
(Na na na na na na)
Na, na, na, na
Hey, hey, hey, so long, yeahSo long, farewell to my old self
Goodbye to the lie that I can't be someone else
'Cause who I was ain't who I am
I know that I've been born again
Those stains of my history are gone, gone, gone
So long, so longNa, na, na
(See you later, so long, yeah)

Na, na, na
(Na, na, na, na, na, na, na)
