Intro

M83

We didn't need a story, we didn't need a real world
We just had to keep walking
And we became the stories, we became the places
We were the lights, the deserts, the faraway worlds
We were you before you even existed

Carry on, carry on, carry on
And after us the flood
Carry on, carry on, carry on
Our silver horn it leads the way
Banners of gold shine
In the cold, in the cold, in the cold
Footprints of snow
Blind from the road
Hail!

We carry on, carry on
Follow us, we are one
The battle's fought, the deed is done
Our silver hum runs dark and strong
Hand to the heart, lips to the horn
We can stand ?
Hand on my breast, I'll keep you warm
Hail!
