White Christmas

Neil Diamond

The sun is shining and the grass is green
The orange and palm trees sway
There's never seen such a day in Beverly Hills, L.A.
But it's December the 24th, and I'm longing to be up NorthYeah, yeah yeah, ye, I'm dreaming of a white Christmas
Just like the ones I used to know
Where the tree tops glisten and children listen
To hear sleigh bells in the snowI'm dreaming of a white Christmas
With every Christmas card I write
May your days be merry and bright
And may all your Christmases be white, come on, mowYes, I'm dreaming of that white Christmas
There's nothing like that newly fallen snow
The treetops glisten, children all listen
Hear some sleigh bells in the snow, you know it's soAnd I'm dreaming of a white Christmas
With every Christmas card I write
May your days be merry and bright
And may all your Christmases be
May every Christmas Day be
May all your Christmases be any color you likeOh yeah yeah
Where the treetops glisten and children listen
To hear sleigh bells in the snow, come on sing it now with me everybodyI'm dreaming of a white Christmas
With every Christmas card I write
May your days be merry, merry and bright, yeah
And may all your Christmases be
May all your Christmases be
May all your Christmases be white(And may all your Christmases be white)
