

# So Good

LZ7

See, I'm a lover not a fighter  
I took one look and I liked ya'  
You're magic, like piff, paff, poff  
For bad times disappear like a big bad woof  
The way that you move, yeah, has got my heart racing  
You aced it, I can't say a word without shaking  
It feels so good and I can't deny  
You got me up on a natural high  
Yooooouuu keep my heart beat steady  
when the disk drops heavy  
Oooooohh not gonna move till I'm ready  
Then it hits me, hits me  
You make me feel so good, it's out of my hands  
I can't help but dance  
'Cause you make me feel so good, it's out of my hands  
I can't help but, I, I, I can't help but dance  
I wanna dance till the sun comes up  
I know we just can't get enough  
You can mold me, shape me, and now move me  
Just take all I have and improve me  
I get lost in the look in your eyes  
It flies by, can I turn back time  
'Cause when I'm with you, the now gets frozen  
Like when we first met I get lost in the moment  
Your beauty is all I see  
Then something comes over me  
An imposite set me free  
You make me feel so good, it's out of my hands  
I can't help but dance  
'Cause you make me feel so good, it's out of my hands  
I can't help but, I, I, I can't help but dance  
They might be watching us, but I don't care now  
Just turn the music up  
We're so much closer now, it's almost daylight  
Just turn the music up  
Yooooouuu keep my heart beat steady  
when the disk drops heavy  
Oooooohh not gonna move till I'm ready  
Then it hits me, hits me

You make me feel so good, it's out of my hands  
I can't help but dance  
'Cause you make me feel so good, it's out of my hands  
I can't help but, I, I, I can't help but dance
