Outrageous

Rachael Lampa

Uh, uh, uh
Uh, uh, uh
Uh, uh, uhYou're painting a picture of what you would prefer
Of what you want to see come out of your life
But every now and then you gotta open up your eyesIt's all running together taking forever
And I know just what the feeling is like
But you can't just let it all pass you byHow did you know [Incomprehensible]?
Why don't you let it show?Wanna see you in your most outrageous style
Wanna see you in your most courageous smile
Live it, love it, oh, you know you wanna try
Hey, it's your lifeYou've got the love
You've got the Lord
You've got to hold on to it
Uh, uh, uh, uh, uh, hey, it's your lifeUh, uh, uh
Uh, uh, uh
Uh, uh, uhRun away to your own beat, trip over your own feet
At least you know you might be finding your way
And you're closer than you were back in the dayHow did you know [Incomprehensible]?
Why don't you let it show?Wanna see you in your most outrageous style
Wanna see you in your most courageous smile
Live it, love it, oh, you know you wanna try
Hey, it's your lifeYou've got the love
You've got the Lord
You've got to hold on to it
Uh, uh, uh, uh, uh, hey, it's your lifeOoh, lookin' for answers, life is a dancer
It's gonna ask you questions, you may not ever know
And all you gotta do is just let it goUh, uh, uh
Uh, uh, uh
Uh, uh, uhWanna see you in your most outrageous style
Wanna see you in your most courageous smile
Live it, love it, oh, you know you wanna try
Hey, it's your lifeYou've got the love
You've got the Lord
You've got to hold on to it
Uh, uh, uh, uh, uh, hey, it's your life
