

Get Up (DanceFloor)

Young Soulja The Realest

[intro]

Get up on the dance, get up, get up on the dance floor
Get up on the dance, get up, get up on the dance floor
Get up on the dance, get up, get up on the dance floor

[Effect]

[hook]

Get up on the dance, get up, get up on the dance floor
Get up on the dance, get up, get up on the dance floor
Get up on the dance, get up, get up on the dance floor

Let me see you dance bitch/

Get up on the dance, get up, get up on the dance floor
Get up on the dance, get up, get up on the dance floor
Get up on the dance, get up, get up on the dance floor

Let me see you dance trick/

[verse one]

Dip it dip it and swing it back low/

And wear a short skirt so you let it all show/

It's that time, and it's that place/

Shake that ass all in my face/You can put your big ol' titties up in my grill /

And at the end of the night you can tell me which rapper you feel/

and be for real / no big deal/

I hope you titties is real/

and I have you strippin' for me like u was a banana peel/get on the floor and shake it now/

I wanna see your big booty go up and down/

No rush girl I'm gon' linger/

Shake your booty fast like it was a sore finger/mami slidin' down the pole like she was a professional /

She wanted to hang with a rapper like she was my testicle/

she sexable her body so bad so she disrespectful /

Her conversation should be rated X cuz she's so sexual/

[hook]

Get up on the dance, get up, get up on the dance floor
Get up on the dance, get up, get up on the dance floor
Get up on the dance, get up, get up on the dance floor

Let me see you dance bitch/

Get up on the dance, get up, get up on the dance floor
Get up on the dance, get up, get up on the dance floor
Get up on the dance, get up, get up on the dance floor

Let me see you dance trick/

[verse two]

I gotchu on my bed like a blanket/
booty doin' naughty things, gotta spank it/
gotta thank it , cuz its so nice though/
she goin' crazy over me like a psycho/I see you dancin', you all up in the club/
You needa leave your man(why) cuz he ain't nothin' but a scurb/(tahhhh)
Come to my house and baby show me some love/
And after I beat it out the frame baby give me backrubs/You know its soulja baby, why don't you ever listen/
After i give it to you, I make it shine and glisten/
You like rihanna cuz you say you want a rude boy/
I pack pipe so you never needa nude toy/we can do whatever da hell you wanna lil mama/
she think dat I'm her man but da fact is dat I'm not gonna call her/
and she know dat I'ma balla , make her bounce like an impala/
I'ma sucio, and whenever she alone she can jus holla/[hook] 2x
Get up on the dance, get up, get up on the dance floor
Get up on the dance, get up, get up on the dance floor
Get up on the dance, get up, get up on the dance floor
Let me see you dance bitch/
Get up on the dance, get up, get up on the dance floor
Get up on the dance, get up, get up on the dance floor
Get up on the dance, get up, get up on the dance floor
Let me see you dance trick/
