Twins

Tassel & Naturel

When I think of you
I ponder all the things ah that we could do
Like take-away some Chinese
That's what we could do
When I think of us
And we'll make home brew
And tell 100 strangers bout the two of us
And I'll take the bus
I want o sell my car off
And your brand new bust
Joined together at the hip
How I wish we were Siamese
(chorus) It's just you and me
You and me
Walking down the sunset strip
It's just you and me
(chorus)
Let's buy a little boat and head out to sea
You and me
It's just you and me
We'll live so happily
The captain will marry us
Till we're lost at sea
(chorus)
You and me you and me uh huh
It's just you and me
just you and me
It's just you and me
