5
5Falling apart
I'm sickening
I'm sickeningLosing my heart
I'm sickening
I'm sickeningRetract
Trying to forget
Trying to protect
5, 5, 5, 5Crawling this far
I'm sickening
I'm sickeningSoiled and scarred
I'm sickening
I'm sickeningRetract
Lying to subject
Dying to collect
5, 5, 5, 5I'm coming apart, apart
I'm coming apart, apart
I'm coming apart, apart
I'm coming apartFinallyMaybe this time
I'll forget about you
Maybe this time
I'll forget about youI've tried
But you keep coming back
I've tried
But you keep coming backRetract, retract
5, 5, 5, 5I'm coming apart, apart
I'm coming apart, apart
I'm coming apart, apart
I'm coming apart, apart5
[Incomprehensible]
