Ride

Eli Lieb

I've been out on that open road
You can be my full time, daddy
White and gold
Singing blues has been getting old
You can be my full time, baby
Hot or coldDon't break me down
I've been travelin' too long
I've been trying too hard
With one pretty song
I hear the birds on the summer breeze, I drive fast
I am alone in midnight
Been trying hard not to get into trouble, but I
I've got a war in my mind
So, I just ride
Just ride
I just ride
Just rideDying young, and I'm playing hard
That's the way my father made his life an art
Drink all day, and we talk 'till dark
That's the way the Road Dogs do it, light 'till darkDon't leave me now
Don't say goodbye
Don't turn around
Leave me high and dry
I hear the birds on the summer breeze, I drive fast
I am alone in midnight
Been trying hard not to get in trouble, but I
I've got a war in my mind
I just ride
Just ride
I just ride
Just rideI'm tired of feeling like I'm fucking crazy
I'm tired of driving 'till I see stars in my eyes
It's all I've got to keep myself sane, baby
So I just ride, I just rideI hear the birds on the summer breeze, I drive fast
I am alone in midnight
Been trying hard not to get in trouble, but I
I've got a war in my mind
I just ride
Just ride

I just ride
I just ride
