Arms

Christina Perri

I never thought that you would be the one to hold my heart
But you came around and you knocked me off the ground from the startYou put your arms around me
And I believe that it's easier for you to let me go
You put your arms around me and I'm homeHow many times will you let me change my mind and turn around?
I can't decide if I'll let you save my life or if I'll drownI hope that you see right through my walls
I hope that you catch me 'cause I'm already falling
I'll never let our love get so close
You put your arms around me and I'm homeThe world is coming down on me and I can't find a reason to be loved
I never wanna leave you but I can't make you bleed if I'm aloneYou put your arms around me
And I believe that it's easier for you to let me go...I hope that you see right through my walls
I hope that you catch me, 'cause I'm already falling
I'll never let our love get so close
You put your arms around me and I'm homeI tried my best to never let you in to see the truth
And I've never opened up
I've never truly loved 'til you put your arms around me
And I believe that it's easier for you to let me goI hope that you see right through my walls
I hope that you catch me, 'cause I'm already falling
I'll never let our love get so close
You put your arms around me and I'm homeYou put your arms around me and I'm home
