We Could Rule

Mark Owen

tonight,
tonight,
can't get enough,
of everything,
that is you.so where is it,
that your love comes,
please take mine with you.-chorus-
we could rule the world together,
oh yeah,
say it can be,
it will be,
hallelujah,
us forever.
we could rule the world together,
oh yeah.tonight,
all night,
we'll lose control,
and see where that,
can take us.the city sleeps,
the moon it sets,
the spotlight on us.-chorus-
we could rule the world together,
oh yeah,
say it can be,
it will be,
hallelujah,
us forever.
we could rule the world together,
oh yeah,
say it can be,
it will be,
hallelujah,
us forever now.so close your eyes,
and when morning comes,
we will swep our love to the waking sun,
and then climb the hill,
that the gods will build,
where we'll step right on,
to a rising star.we,

we could rule the world,
say it can be,
it will be,
i know it,
believe me.we,
we could rule the world,
say that it can be,
it will be,
hallelujah,
us forever,
us forever now,
love forever now,
us forever now,
love foreverwe could rule the world together,
oh yeah,
oh yeah,
we could rule the world together,
oh yeah,
oh yeah,
oh yeah.
