Jealous

Sinead O'connor

You're jealous, you just can't stand to see me get along
Without you like I do, you told me to
Now you're jealous, you don't know how hard it was to be alone
Without you and wanting you, like I doI would've stayed if you'd wanted, would have been willing
But you said I treat you so badly I can't be forgiven
You know, I would have done anything to make it through with you
But I don't deserve to be lonely just 'cuz you say I doYou're jealous, you don't know how hard it is to be
A woman in love with you when you're so cruel
And so jealous, you don't think about any body's feelings but your own
Are you coming home?I would've stayed if you'd wanted, would have been willing
But you said I treat you so badly, I can't be forgiven
You know, I would have done anything to make it through with you
But I don't deserve to be lonely, just 'cuz you say I doSo if you're gonna go, you've gotta go and if you're staying, stay
'Cuz I can't take the pain you keep leaving when you go away
If you're gonna go you've gotta go and if you're staying, stay
'Cuz I can't take the pain you keep leaving when you go awayI don't deserve to be so lonely
I don't deserve to cry, ooh
I don't deserve to be so lonely
