The Song Is Ended

Dakota Staton

The song is ended
But the melody lingers on
You and the song are gone
But the melody lingers onThe night was splendid
And the melody seemed to say
Summer will pass away
Take your happiness while you mayThere 'neath the light of the moon
We sang a love song that ended too soonThe moon descended
And I found with the break of dawn
You and the song had gone
But the melody lingers on
And on, and on, and on, and on, and onThere 'neath the light of the moon
We sang a love song that ended too soonThe moon descended
And I found with the break of dawn
You and the song had gone
But the melody lingers on
And on, and on, and on, and on, and on, on and on
