La la la la la la la la la la la la la la la la la la la laNow faith is the substance...of things...of things...hoped for...hoped for, the evidence...the evidence...of things...of things...we cannot see...we cannot see.
Listen, by faith...By faith...the universe...the universe...was created...was created...by GOD's Word...by GOD's word...so what revealed... so what revealed...was formed by...was formed by...what we can't see...what we can't see.Oh...Ohhh...by this same faith...healing is mine...healing is mine, by this faith...hope this is mine...hope this is mine, by faith...mountains will move...mountains will move and joyously...I will...I will go through by this same faith...healing is mine...healing is mine by this faith...hope this is mine...hope this is mine by faith...that mountain's gotta move...mountains will move and joyously...I will...I will go through...
Now faith...is the substance...is the substance...of things...of things hoped for, the evidence of things we cannot see.This is what the Word of GOD says, Hebrew 11 says this...
By faith...
We understand the worlds were framed by GOD's word.
By faith...
Abel offered unto God a more excellent sacrifice than Cain
By faith...
Ha...Enoch was translated that he should not see death
By faith...
Noah prepared an ark to the saving of his house
By faith...
Isaac blessed Jacob and Esau concerning things to come
By faith...The children of Israel passed through the Red Sea as by dry land
By faith...
The walls of Jericho fell down after they were compassed about seven days
By faith...
The prophets of subdued kingdoms worked righteousness
By faith...
Obtained promises, shut the mouths of lions
By faith...
Quenched the violence of fire, escaped the edge of the sword
By faith...
Out of weakness were made strong, became valiant in battle
By faith...
Oh...Oh oh oh oh
By faith...
Women received their dead raised to life again
By faith...
And without it, it's impossible to please the LORD
By faith...

By that same faith, I am healed, I'm delivered, I'm set free
By faith...
I'm made whole, HalleluJAHNow faith is the substance of things hoped for, the evidence...
It's the evidence...the evidence
It's the proof, the affidavit, the deposition, the evidence
The evidence...
It's the evidence
The evidence of things not seen, not seen.Faith...
The BIBLE says all you need is a grain the size of a mustard seed, and you can speak to the mountain and that mountain has to move.
It might be sickness but it's got to move,
It might be depression but it's got to move,
It might be heartache but it's got to move,
It might be grief but it's got to move
When you use your faith things begin to happen,
Things begin to change, there's nothing impossible
As long as you have faith, faithOh oh oh oh oh oh oh oh...
By faith...
By faith...
By faith...
By faith...Now faith is the substance of things hoped for...
The evidence...
The evidence...
The evidence...
Evidence of things not seen, not seen.
