Failure
Not worth it
It's too late to start again
And I'm sure I'm useless in the hands of the Creator
I'm not enough to salvage
And I'm not enough to build with
So don't try
No, I won't try
But then came your wordHealing
Affirming Word
Writing on my heart
Writing on my mind
So I'll never forget it
Your word
(Repeat)
Walking around
Fearful
What if someone finds out the truth
That I'm shattered
Pieced together by the love of You
Not worthy of Your attention
I'm so guilty and ashamed
Please don't use meNo, you can't use me
But here comes your Word
Healing
Affirming Word
Writing on my heart
Writing on my mind
So I'll never forget it
Your word
I believe
What you think about me
So I'll repeat the confessions of Your love for meNow I breathe
The life of Your Word in me
So I'll never forget itYou know me completely
And yet You love me so deeply
And when mother and father forsake me
God, You promise to take me up
Sing help me never forget it

Help me never forget it
Tonight we believe we're purposed by You
Yes we are
God we're purposed by you
You love me so deeply
God your love is unchanging
God your love is unfailing
Sing help me never forget it
Help me never forget it
