The Mannequin Campaign

Scarlet

This is the mannequin campaign. This is the shock value refrain.
Laying on all fours to pay the rent.
Drugs, drugs, drugs. Drag queens cross-dressed and gender bent.
This is the mannequin campaign of the bleached white.
For the drug addicts and the stoned fanatics.
For the drug addicts and the stoned fanatics.
For the drug addicts and the stoned fanatics.
Drugs, drugs, drugs.
The run way models whoring themselves at night.
Drugs, drugs, drugs.
