U Bring Da Dog Out

Rhythm & Knowledge

(HOOK)
You bring the dog outta me
(rpt 4x)(VERSE ONE)
I must confess
My eyes are fixated on your dress
And the way you move
You've got me hot
My mind is spinnin' like a top
Your skin's so silky smooth
Yerning
Burning
I want your love
Touch me
Teach me
What you dream of
Hold me
Scold me
Baby at your whim
Inside
Outside
Show me what your feeling(HOOK)
You bring the dog outta me
(rpt 4x)(VERSE TWO)
Dont be surprised
If you make my nature rise
While we're dancing slow
It's the natural thing
When you make your jimmy swing
Honey dont you know
Yerning
Burning
I want your love
Touch me
Teach me
What you dream of
Hold me
Scold me
Baby at your whim
Inside

Outside
Show me what your feeling
